

The Philadelphia Chapter of the Patrons of the Arts in the Vatican Museums cordially invites you to a presentation and reception at 6:30pm on December 1, 2014.

Our speaker will be Father Mark Haydu, L.C., International Director of the Patrons of the Arts in the Vatican Museums. Father Mark, visiting the United States from his headquarters in Rome, will speak about the work of the Vatican Patrons supporting restoration and conservation of the artistic works in the Vatican Museums.

Father Mark will also talk about and be signing copies of his newest book, *Meditations on Vatican Art: Angels*. Illustrated with stunning images of masterpieces from the Vatican Museums, this latest addition to Father Mark's award-winning series traces the powerful role of angels in Scripture, sacred art, and our lives.

Please join us for this informative and exciting opportunity to meet with the priest who leads this organization so important to preserving the magnificent collections of the Vatican.
